WELLNESS TREATMENT WITH GRAPES AND WINE

Grapes are a real concentrate of antioxidant properties given by the presence of linoleic acid and polyphenols that are contained in the skin and in its seeds (grape seeds).

Among the many benefits of grapes related to wellness treatments is its ability to stimulate microcirculation, counteract free radicals and strengthen the walls of the capillaries. Finally, grapes also have purifying, purifying and anti-aging properties.

The treatment starts with a face scrub with an oxygenating face mask based on grape seeds and grape polyphenols for 25 minutes. It concludes with a relaxing 50-minute couple's massage with grapeseed oil.

AL PIGLIO

PREMIER CRU WINE THERAPY EXPERIENCE

BODY SCRUB + BODY MASSAGE + SCRUB AND FACE MASK

1 h 45 min. 150 euro

A procedure based on the benefits of grapes. It encourages cell regeneration and intensifies the consistency of the skin. Rich in essential fatty acids, grape seed oil has emollient properties, it softens, hydrates and nourishes the skin. Its high antioxidant property preserves the skin's barrier neutralizing free radicals.

It starts with a body scrub with both an exfoliating and hydrating effect; it continues with a toning massage and a facial scrub with an anti ageing face mask.

EXTRA VIRGIN OLIVE OIL WELLNESS EXPERIENCE

BODY AND FACE SCRUB, MASSAGE AND FACE MASK

1h e 45 min. 130 euro

A procedure based exclusively on the benefits of EVO oil (extra virgin olive oil) due to its concentration of antioxidants, it contrasts free radicals, responsible for skin ageing. It's a booster of natural hydration: intensely nourishing the skin, maintaining elasticity and protecting it from the effects of weather exposure.

It starts with a delicate body and face scrub with a toning effect, it continues with a relaxing massage with a hydrating effect and it finishes with a nourishing face mask.
